RE: Current Status of  
DOE/001/010  
DOE/001/011  
Beaver County, Utah

Dear Mssrs. Bradshaw:

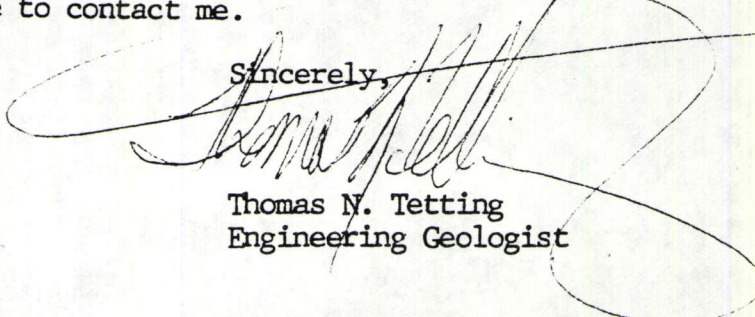

The Division of Oil, Gas and Mining (Division) has finally received your April 6, 1984 letter regarding development on the Beaver County properties, T27S, R9W, Section 36 and T28S, R9W, Section 2. Apparently there was a delay in the arrival due to your having sent the notice to our old address. Please note the new address for future correspondence.

I have been in touch with John Blake from the Division of State Lands and Forestry. He informs me that your leases are in good order and that he has no major concerns about the exempted mining operations.

It will be necessary in the future to file a notice with our office for the BLM lands on which you are also conducting operations. Would you please do so at your earliest convenience?

Thank-you for your cooperation and diligence in the matter. If you have any questions please feel free to contact me.

Sincerely,

  
Thomas N. Tetting  
Engineering Geologist
